

Preparing every ACPS student for a great life is about more than just earning a high school diploma. It is also about discovering plans for after graduation. That's why Making Your Career and Academic Plan (MYCAP) is a collaborative effort between school counselors, students, families, school staff and the entire community. We invite you to join the MYCAP Movement today!

Empower Students in Grades 6 - 12 to plan through MYCAP!

Individual Career and Academic Plan (ICAP)

1:1 student advisement with School Counselor

Identification of student strengths and interests

Use of Naviance - Online **College and Career Success Planning Program**

Course selection leading to graduation and postgraduation opportunities

Update on Meeting Graduation Requirements

> Check of credits earned and courses needed

Honors, Advanced Placement (AP), Career Technical Education (CTE), Dual Enrollment (DE)

SOL tests passed or verified credits earned

Grade point average, attendance, extracurricular activities

Exploration of Post-Graduation Options

2- or 4-year college

Technical/training program

Military service

Workforce/employment

Gap year

Volunteer opportunities

Start a MYCAP conversation at home with your child. What is a great life?

What is college? Elementary What is a career?

What careers are in our family?

What careers are in our community?

What are your interests?

What courses connect with your interests?

What careers would you like to explore?

What education do you need to pursue your career?

What graduation requirements have you met?

What are your plans after graduation?

What courses or activities support your post-graduation plans?

What do you need to continue learning and growing?
