

ACPS “Grow a Teacher”

Information Sessions

The UVA School of Education and Human Development and Alexandria City Public Schools offer the “Grow a Teacher” partnership. This program is ideal for ACPS employees who have an undergraduate degree and want to take courses towards licensure, receive a masters degree and professional licensure in SPED: General Curriculum or ESL. ACPS will fund participant tuition at 100%. Applicants will be responsible to pay for course materials (books) and application fees.

Are you interested in teaching, but would like an alternative to a full-time teacher education program?

Online Teacher Education Programs

Benefits to Approved Teacher Education Online Programs

- **Flexible:** allow you to continue to work full-time, even as a provisionally licensed teacher
- **Quality:** our online programs are highly ranked
- **Affordable:** PreK-12 educator discount
- **Supportive:** all online graduate students receive individualized advising from your initial inquiry and throughout your program
